

**It is our pleasure to inform you that
Faculty of Science P. J. Šafárik University in Košice
was registered as a European Talent Point and thus became part of
the European Talent Support Network.**

We are very much looking forward to working with you together in the European Talent Support Network.

The **European Talent Support Network** was officially established in September 2015 in Brussels. At the moment it has 14 **European Talent Centres** from 13 countries and together with your organisation cc. 250 **European Talent Points** from 25 countries. To gain more insights into its history and members so far we recommend to you to look at the following articles on the ECHA website:

By the end of March we will upload the most important data about your Talent Point into the **European Talent Map** (High Ability in Europe): <http://www.echa.info/high-ability-in-europe/>. We kindly ask you to check the data in the first days of April and let us know if you find any mistakes.

Attached to our letter you can find the logo of the Network, which from now on you may use in your homepage, letterhead etc. Please join to the Facebook Group of the European Talent Support Network (<https://www.facebook.com/groups/1542973912663212/>) in order to share more info on your activities promoting cooperation, preparation of joint grant applications, exchanges of best practices and – later – talented people, experts, researchers, mentors and teachers in the Network.

Thank you very much again for joining the **European Talent Support Network!**

Wishing you successful cooperation with the other European Talent Centres and Points,

Best regards,

Jana Klagová, LEAF
